46. Each party must, **no later than 24 hours before the hearing** of an appeal or other proceeding, lodge **four copies of the list** in the box provided on **level 11** of the Supreme Court building, including:

- (a) **reference to any Commonwealth or New South Wales statutes, identifying the relevant reprint or date;**
- (b) **annexed copies of relevant legislation from other jurisdictions;**
- (c) **cases from which passages will be read in the course of argument being:–**
 - (i) **cases reported in the CLR and NSWLRs (maximum 10 without leave);**
 - (ii) **up to five cases from other reports;**
 - (iii) **other cases, whether reported or unreported, with copies of the relevant parts annexed;**
- (d) **cases to be cited but not intended to be read; and**
- (e) **the name and contact details of the provider of the list, including telephone number and email (if available).**

The intent of (c) is to include a requirement for the provision by annexure to the list of authorities of the relevant parts of any unreported authority from which passages will be read.

47. No further list need be filed in relation to a leave application where the party concerned has included a list of relevant authorities and legislation complying with para 46 in the summary of argument.
48. **If a party decides to read from a case not included in para 46(c), copies are to be provided to the Court at the hearing.** For reported cases, only the headnote and relevant passage are to be copied.
